Stonewall Road – Lytle Properties – Stormwater Improvements

Doug Shields reported that he received a letter from Tim Cormany of Martin & Martin giving a detailed description of the work performed by the Township on the roadside swale along the Lytle properties. Mr. Cormany indicated the work was a dramatic improvement for proper stormwater collection and conveyance of stormwater runoff.

The pipes at the intersection are currently clogged with sediment and are in need of flushing. Mr. Cormany recommended contacting PennDOT to inquire about a mutual solution.
